## **Mahan Drive Construction Update**

**Chipley** –A new traffic signal at Mahan Drive and Edenfield Road in Tallahassee is scheduled to be activated on Tuesday, Nov. 29. The signal is currently in flashing mode to allow motorists sufficient time to become accustomed to its presence.

The addition of this signal to the corridor will allow motorists safer access to both Mahan Drive and Edenfield Road. A new signal at Mahan Drive and Walden Road has also been activated and traffic is flowing well during peak travel times.

Arrendell Road is now open to through traffic.

In observance of the Thanksgiving holiday, the contractor will not work Thursday, Nov. 24 or Friday, Nov. 25.
